## 1. INTRODUCTION

Government of India has launched its flagship scheme for providing insurance coverage to farmers / crops in the State.

Pradhan Mantri Fasal Bima Yojana (PMFBY) aims at supporting sustainable production in agriculture sector by way of -

- a) providing financial support to farmers suffering crop loss/damage arising out of unforeseen events
- b) stabilizing the income of farmers to ensure their continuance in farming
- c) encouraging farmers to adopt innovative and modern agricultural practices
- d) ensuring flow of credit to the agriculture sector; which will contribute to food security, crop diversification and enhancing growth and competitiveness of agriculture sector besides protecting farmers from production risks.

The Operational Guidelines of PMFBY envisaged for use of Smart Phone & Mobile Application in conducting & reporting of result of Crop Cutting Experiments / Yield Loss for early calculation & settlement of admissible claims to the farmers under PMFBY in transparent manner. Accordingly, MoA & FW has developed a Mobile App for the purpose.

Smart Phones are required to be used for application/ collection of data/ information of Crop Cutting Experiments (CCEs) by the State Government officials/ field functionaries.
