JAP-IT/Skill Development Project/Recruitment/Re-01/2014

Jharkhand Agency for Promotion of Information Technology (JAP-IT) is an autonomous society under the Department of Information Technology Government of Jharkhand. JAP-IT is intending to develop a Portal for **Managing Skill Development Activities** imparted by various departments of Govt. of Jharkhand, which will provide a common platform for both trainers & trainees. This Portal will be developed in active coordination with 17 government departments so that their requirements could find a place in the Portal.

For this, JAP-IT invites eligible candidates to apply online on <http://recruitment.jharkhand.gov.in> to recruit some bright, hard working and dynamic professionals for designing, developing & managing a Portal for Skill Development activities -
